

**Grade 1 Unit 1**

Lesson 15

CC BY 2021 Illustrative Mathematics®

**Unit 1 Lesson 15: Animals in the Jungle**

**WU Notice and Wonder: Wild Animals (Warm up)**

Student Task Statement

What do you notice?

What do you wonder?

**1 Collect Survey Data**

Student Task Statement

Let's survey our classmates.

1. Circle **1** question:

- A. Which animal would you like to meet in real life?
- B. If you could spend one day as an animal, which one would you choose?

---

C. Which animal would you like to spend vacation with?

D. Which animal would you like to talk to?

2. Animal choices:

3. Collect and record 10 responses.

## **2 Ask Our Own Questions**

Student Task Statement

Let's come up with questions about our data and answer them.

## **3 Share Data**

Student Task Statement

Let's make posters to share what we learned from our surveys.
