Unit 1 Lesson 7: Collect and Represent Data

WU Notice and Wonder: Let's Get There (Warm up)

Student Task Statement

What do you notice? What do you wonder?

1 How Do We Get to School?

Student Task Statement

Choose the picture that shows how you got to school today.

Write your name on the picture.

2 Visual Representations of Data

Student Task Statement

Organize and represent the **data** about how our class gets to school.
