

## **Lesson 12: Ways to Represent Measurement Situations**

• Let's make sense of and represent measurement situations at the fair.

## Warm-up: Notice and Wonder: The Fair

What do you notice? What do you wonder?

## 12.1: Giant Pumpkin Event

1. Write a list of mathematical questions that could be asked about this image.

-	
-	

2. Work with your partner to solve the problem you were given by your teacher and show your thinking on a poster. Be sure to write down on your poster the problem you are solving.

## 12.2: Card Sort: Giant Pumpkins

Your teacher will give you a set of cards with descriptions and diagrams.

Match each description with a diagram that represents the same situation.
