Teacher-facing Learning Goals

- Recognize, name, describe, and build solid shapes in the environment.

Student-facing Learning Goals

- Encontremos figuras sólidas.

Lesson Purpose

The purpose of this lesson is for students to notice and describe the locations of solid shapes in their environment.

Throughout this lesson, students have opportunities to make connections between objects in their environment and solid shapes, such as considering that a block and a tissue box both look like the same solid shape.
