

Lesson 7: Center Day 1

- Let's estimate the length of an object and then measure it.

Warm-up: Number Talk: Subtract from 37

Find the value of each expression mentally.

- $37 - 20$

- $37 - 21$

- $37 - 17$

- $37 - 16$

7.2: Centers: Choice Time

Choose a center.

Estimate and Measure
