

Lesson 7: Center Day 1

- Let's use place value to identify numbers and practice adding and subtracting.

Warm-up: True or False: Compare to 100

Decide if each statement is true or false. Be prepared to explain your reasoning.

- $100 > 99$

- $100 < 99 + 1$

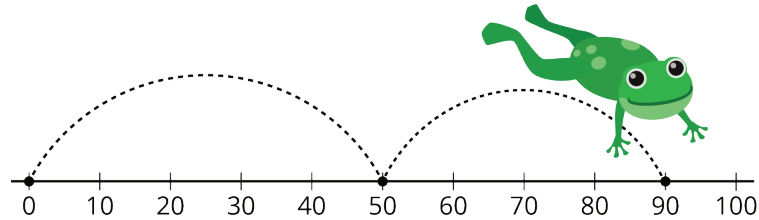

- $98 + 3 > 100$

- $50 + 50 + 50 > 100$

7.2: Centers: Choice Time

Choose a center.
